

Cookie Policy

This Cookie Policy (hereinafter referred to as the «Policy»), along with the Offer and the Personal Data Processing Policy, defines the scope of our obligations with respect to a certain category of information (cookies), defines cookies, describes the categories of cookies we use on the Site, their purpose and how you can influence the cookie collection process.

Do we use cookies? For what purposes?

If your browser supports cookies (hereinafter also Cookies), we can use them and use tracking codes in passive mode to collect personal information that does not allow us to identify the user. The website <https://armor.ru.com/> (hereinafter referred to as the «Site») uses cookies and similar technologies to:

- guarantee maximum user convenience;
- provide personalised information by remembering preferences in the field of marketing and Site content;
- help users find the information they need faster;
- track the statistics of your Site usage and improve the user interface.

By using this Site, you confirm your consent to the use of Cookies in accordance with the notification regarding this type of file. If you do not agree to our use of this type of files, you must stop using the Site or set the appropriate settings in your browser according to the information below.

What are Cookies? How are they used?

Cookies are small pieces of information that are stored by the browser on the computer's hard drive. Each time you visit our Site again, your browser sends us the specified pieces of information so that we can customise the interface to your interests and preferences, or to facilitate the process of logging in to use our services.

What cookies are used on our Site?

We use the following types of Cookies on our Site:

- **Necessary cookies.** These cookies are necessary for the site to work correctly, they will allow users to navigate around the Site and use its features. These files do not identify users as individuals. If the user does not agree to use this type of file, it may affect the performance of the Site or its components.
- **Cookies related to performance and analytics.** These files help us understand how users interact with the Site by providing information about the areas they have visited and the amount of time they have spent on the Site, as well as these files show problems with the Internet resource. This helps to improve the Site's performance. This type of cookie cannot be used to identify you. All information that is collected and analysed is completely anonymous.
- **Functional cookies.** These cookies are used to identify users returning to the Site. They allow you to individually select the content of the Site for users.
- **Advertising cookies.** These files contain information about user actions on the Internet, including visits to websites and pages, as well as information about links and advertisements that users have selected for viewing. One of the goals is to reflect on websites the content

that is most fully targeted at a particular user. Another goal is to provide the opportunity to provide advertising or other information in more exact accordance with the interests of the user.

Our obligations regarding cookies

We use cookies and other similar technologies only for the purposes described in this Policy. We never use them to manipulate demand, artificially raise or change prices for products posted on our Site, or otherwise influence the opinions and behavior of our users.

Cookie management

You can use our Site without cookies. You can disable the storage of Cookies in your browser. Please note: in this case, the display of the pages and the site usage guide will be limited. You can also limit their creation to specific websites, set a cookie notification in your browser, or delete Cookies from your computer's hard drive at any time. Deleting all Cookies will automatically log you out of your accounts on most websites.

How can I disable Cookies?

Keep in mind that basically all browsers (Internet Explorer, Mozilla Firefox, Google Chrome, etc.) are configured to accept and store cookies. However, most browsers allow you to check and disable cookies through your browser settings. To change the settings, follow the instructions provided in your browser in the «options» or «settings» section. If you use different devices to view and access the Site (for example, a computer, smartphone, tablet, etc.), you should make sure that each browser on each device is configured to work with cookies according to your preferences.

Please note, if cookies are disabled, the Site may not work correctly.

We use various cookies on our Site to provide our services to you and improve the quality of your interaction with our service.
